USDA/NOP SulPhos Blends

High Sulphur and Phosphorus Mineral Supplement to Assist Parasite Control, Herd Health and Productivity in Organic Farming Systems

MegaMin USDA/NOP SulPhos Blends provide natural broad spectrum macro and trace minerals, plus additional sulphur and phosphorus. Sulphur assists rumen health, is associated with supporting external parasite control and is a key nutrient for wool growth. Phosphorus is one of the most important minerals in animal nutrition and is essential for energy metabolism, appetite, efficiency of feed utilisation, bone growth and fertility.
